FUNSHEET

10

Make sure you are in a safe spot for this one. You can do this inside the house or outside anywhere safe. Lay down and look up.

What do you see?
Look closer, what do you see?
Do the items look far away?
Does it make you dizzy?
What do you notice from this position that you normally don't notice?

Is this position a good spot to use your camera for creativity? How about writing a little song. You decide how to be creative with this one.

When working on any of the fun sheets, always make sure you are being aware of your surroundings and not attempting anything dangerous. Children should be supervised by an adult while participating.
