

A dark blue circular graphic with a white border. Inside the circle, the word "Microcosms" is written in a white, cursive font at the top. Below it, the word "FUNSHEET" is written in a white, bold, sans-serif font. At the bottom of the circle, the number "1" is written in a large, light green, sans-serif font with a white outline. The background of the entire page is a close-up photograph of green, succulent-like plants.

Microcosms

FUNSHEET

1

You can go anywhere for this one or just stay put.

Look around you and make list of all of the different colours you can find.

Which ones stand out
the most?

What made you notice
that colour first?

What is the colour of
the object on your right?

What is the colour of
the surface under your feet?

Look straight up, what
colour do you see?

Do you feel inspired by the colours around you? Create something that uses some of the colours that you see around you.

Remember when you are being
creative it doesn't only have to be visual art. Creativity comes in
many forms . Music, poetry, performance, drama, dance. And a lot more
– can you come up with another form of expression and creativity
that I have not listed here ?

When working on any of the fun sheets,
always make sure you are being aware of your surroundings and not
attempting anything dangerous. Children should be supervised by an
adult while participating.
