

Microcosms

FUNSHEET

2

Go to grocery store or farmers market,
and buy one food that you have never tried before
what was your experience.

What was the name of the food you
purchased?

Was it tasty ?

Was it hard to eat?

Was it gross?

Was it sweet or savoury?

Can you draw a picture of the food? Or
maybe take a picture of the face you made when you ate it.

How about describing the taste in a
poem or short story.

When working on any of the fun sheets,
always make sure you are being aware of your surroundings and not
attempting anything dangerous. Children should be supervised by an
adult while participating.

With this one also be aware of any
potential food allergies before attempting.
