Be sure you are in a safe place for this one. Close your eyes and listen.

What do you hear?
Where is the sound coming from?
How does it make you feel?
Is it a nice sound or a noisy irritating sound?
Is it loud or quiet?

Create something inspired by the sound or sounds that you are hearing.

When working on any of the fun sheets, always make sure you are being aware of your surroundings and not attempting anything dangerous. Children should be supervised by an adult while participating.
